Dear Mr. Garrison.

Most cordial
thanks for your
kind words of wel-
come. I hoped to
have seen you on
Wednesday, I tried
hard; for I had

a message &
paper to give
you from one
who loves you
well — Harriet
Martineau.

My sister Mary
will give you

the paper. It
was copied with
great diffculty, owing
to her extreme
tubercles at the
time; - I under-
stand that sense of the
precious time
by which she
lived her life at

this time, which
gives to it the
earnestness & im-
pressiveness of
a dying utterance.

I hope Mrs Garrison
is better this morning.
My kindest love
to her & all your
family. Yours ever
A. W. Chapman
